

My Daily Focus

Life comes to me easily. Each day gets better and better. Today I claim a day of heaven on Earth for me and everyone with whom I connect. Everything is possible!

- Set clear intentions daily.
- Know that you are exactly where you need to be.
- Embrace a sense that all is well.
- Feel and express true joy.
- Take inspired action.
- Good things manifest for you.

Today (DATE) I AM:

I *THANK* the Universe for:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.

- 9.

I know that this or something even better is happening for me!

I appreciate all my experiences and the help and support that come my way. I know my experiences are for my highest good. In particular, **I genuinely appreciate:**

- 1.
- 2.
- 3.
